# Recognizing outstanding board members

The Onslow Memorial Hospital Foundation would like to recognize three outgoing Board Members, LaRue Hambrick, Richard Pugh, and Rodney Martin for 6+ years of service on the Board of Directors of the OMH Foundation.

“Their dedication, leadership, and passion for this community helped to get the Foundation to where it is today” stated Ashley Hayes. “Under their guidance, the Foundation raised over \$825,000 in support of projects to include the Radiation Oncology Center and Project 2020.”

Richard Pugh served as the Foundation Chair from 2007 to 2011, as well as participated on several committees. LaRue Hambrick served as Radiation Oncology Project Chair, Events Committee Chair, and Sponsorship Chair during her time with the Foundation. Rod Martin has been working with the Foundation since 1999. Since 2007, Rod has been the Treasurer of the organization.

Thank you Rik, Rod, and LaRue for your time and support! Your support for our hospital and this community is truly commendable.

Please welcome our incoming Board Members, Dr. Randy Blackburn, Ed Garris, and Marty Goldman!

# Recognizing Cumulative Giving

The Onslow Memorial Hospital Foundation has developed giving clubs based on cumulative donor contributions to the OMH Foundation or Onslow Memorial Hospital in past years. Most donors prefer nothing in return for their generous donation. However, by allowing us to recognize the commitment made by many donors, it may inspire others to follow the example in helping to bring top-notch healthcare facilities, equipment, and services to our community.

Please review the giving clubs on the successive pages. If there is an error in the listing, or if you have questions regarding your giving record, please contact the OMH Foundation at (910) 577-2651. Thank you to all the community members, local businesses, physicians, employees and volunteers who have made contributions throughout the years. Your commitment to quality local healthcare is commendable.
