# Campaign for a new patient tower

The OMH Foundation has launched its next fundraising campaign, Project 2020. Project 2020 is a 7-year, \$2 million campaign to support the need for a new patient tower at Onslow Memorial Hospital. The current tower is almost 40 years old and was built to serve the population of Onslow County in the 1970s. Since then, the population has increased by over 70 percent. Over the past 40 years, the healthcare industry has also dramatically enhanced medical care equipment. The current infrastructure struggles to accommodate this needed equipment.

With Onslow Memorial Hospital's emphasis on patient- and family-centered care, we recognize that families want to be involved in patient care, now more than ever. The older, smaller rooms are not large enough to accommodate family members. The new space will be designed to include patient families as key caregivers and partners in their loved ones' healing process.

**Existing Layout**

## Now...

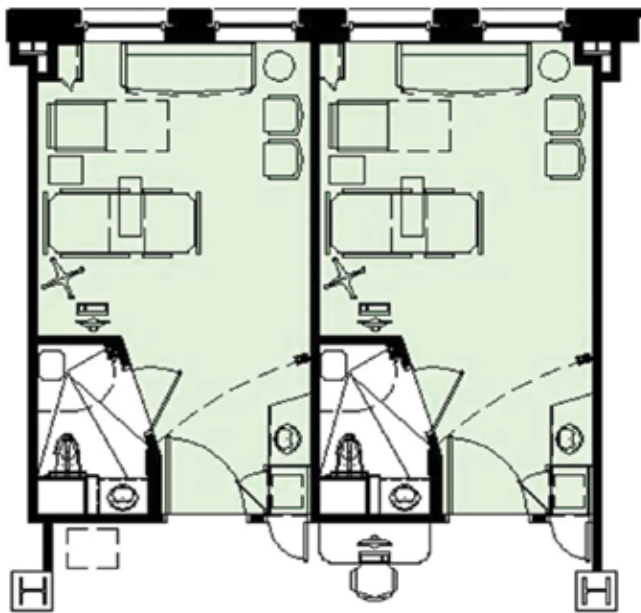

- A current tower that is old and outdated.
- You may have to share a room, as well as a community shower during your stay.
- The current patient rooms do not allow for enough space for families to actively participate in the patient's care.
- One of our biggest challenges is physician recruitment, retention, and alignment.

## Soon, with your help...

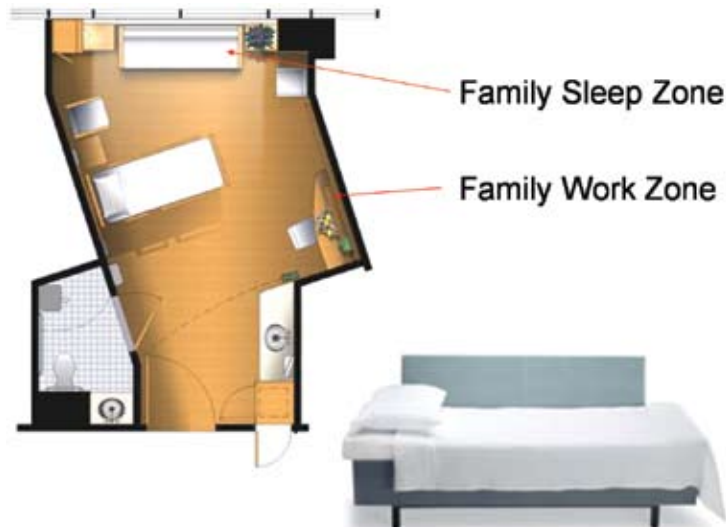

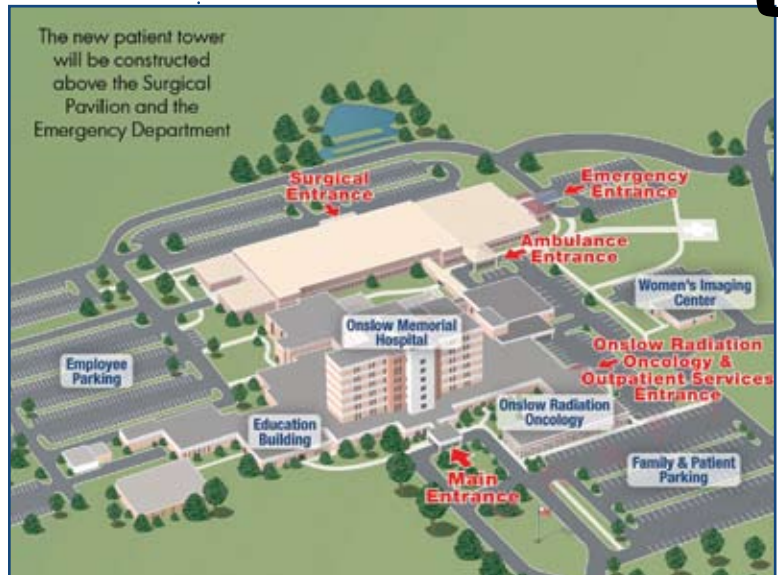

- A new, up-to-date tower that will allow for future expansion.
- You will have a private, 277-square-foot room with an individual shower facility.
- The new patient rooms will allow family members to be involved in patient care and allow healthcare providers to actively seek patient and family's input.
- Location and new services help to attract talented physicians to our area.

With your help, we can bring the latest technology, equipment, and facilities to Onslow County and provide the best medical care in a family-centered environment for you and your family. You can truly make a difference in the quality of healthcare for our community by supporting Project 2020 today. Ways to support Project 2020 include sponsoring the OMH Foundation's annual event, or making a Major Gift of \$25,000 or more. If you wish to learn more about the benefits of your support through these gift options, please contact the OMH Foundation at (910) 577-2651.

# Planning in progress for next big event

After the successful Cowboy Up! hoedown, the OMH Foundation Events Committee has started the planning process for the next big event. Hippie Hippie Shake, the OMH Foundation's 4th annual fund-raising event, will take place on Feb. 25, 2012, at the American Legion in Jacksonville. Funds raised at this "jammin'!" party will be used to support Project 2020, which is a 7-year, \$2 million Campaign to support the need for a new patient tower at Onslow Memorial Hospital. For more information on Project 2020, please see pages 4-5.

Come dressed in bell bottom jeans, go-go boots, headbands, and love beads, as we flash back to the 1960s. We are excited to bring Spirit of the Radio to Jacksonville — a high-energy, premier party band that will provide "groovy" entertainment for the evening. Don't miss out on our psychedelic silent auction and electric live auction! If you wish to sponsor this event, please see the Hippie Hippie Shake Sponsorship Packet on pages 10-11.

## Mark your calendars ...

**6 p.m. Saturday, Feb. 25, 2012**

# Volunteer Opportunities

Volunteers play a very important role at Onslow Memorial Hospital Foundation by helping to promote public awareness of our community's healthcare needs, as well as providing their time and dedication to make our fund-raising events successful. The OMH Foundation is extremely fortunate to have many volunteers that share their talent and compassion with the Foundation.

Are you interested in making a difference by donating your time and talents? There are many volunteer opportunities available, including participating in our annual gala, serving on one of our fund-raising committees, and much more. Please call (910) 577-2651 to express your interest today.
